WHITE SOX HANDED

ANOTHER GOOSE EGG

Eller, Red Twirler, Too Much for Chicago.

34,000 ATTEND BATTLE

Only One Game Now Separates Cincinnati and World's Championship.

CHICAGO, October 6.—"Pat" Moran telegraphed this evening to have the big staff in Redland Park at Cincinnati measured for one latest style world championship has.

The Reds today won the fourth game of the world's series, defeating the Chicago White Sox 5 to 0 in a contest that developed sensational pitching, sharp fielding, one-sided batmanship and nearly deprived the Sox of their last glimmer of hope.

The National League champions now won four games and were one more to win the series. By the same token, the Sox can annex the share of the money only by winning four straight. The lead for Cincinnati tonight was two games, if that many are won.

Eller Pitches Great Game. "Pat" Eller, a White Sox cast four years ago, gratified the wish of his heart by attacking the victory. He held his teammates practically throughout. He allowed only three widely scattered hits, gave but one pass and obliterated a record for consecutive strikeouts in a world's series.

In the second and third innings, Eller fanned six batters in a row. In the fourth, he was going so strong that the first two Sox who faced him dribbled the ball to him for easy outs at first and he third man struck out. He delivered two more doses of the same medicine before the game was over, a total of nine strikeouts for the game.

Claude Williams who was defeated in the second game of the series at Cincinnati, hurried for Sox and did about all that a pitcher could do to win. He walked two men and did not allow a hit until the fifth inning. The Reds delivered only three more hits off his delivery, but these, after the world series fashion of the Reds were forthcoming in the one inning in which they were most needed.

Sixth, Fatal Inning. In this instance the avalanche descended in the sixth round. The air was fairly foggy with his intensified by a walk and an error and when the air cleared the scoreboard showed that four Red legs had reached the counting station. It was enough—plus. In the eighth William retired to allow Murphy to appear in the role of pinch hitter, but he merely fanned Eller's strikeout record and in the ninth Mayer went to the mound for the Sox. His wildness was partly responsible for the Sox's run with which the visitors capped their score.

Ray Schalk, premier catcher of the American League, or any other league, according to his admirers came forward as the first player to be chased by an umpire during the series. It was in the sixth when almost everything happened that this occurred. Groh had slid to the plate, accumulating large holdings of base ball real estate on the facade of his anatomy and Schalk claimed that he touched the runner before the latter had plowed his way to the plate.

Rigler Banishes Schalk. In his excitement he jumped up at Umpire Rigler's protector and with his fists jolted the judicial air there impounded. Rigler banished the coop and Schalk's things to the late Noah Webster never encountered in his researches, made way for Lynn, who caught the remainder of the game for the Sox.

The field was in excellent condition despite the rain of yesterday. The sun shone brightly and the temperature was to the liking of players and spectators. In the first round Rath reached first on transportation and was sacrificed. To second, but neither Groh nor Roush could deliver, and he got no farther. In their half the Sox did a little better. Liebold, the first man up waited for four wild ones, took second on an infield out and reached third on Weaver's single, which was checked but not captured by Eller. The partisan local crowd came along and loud for a run, but Jackson, despite a new set of "clucky" batpins, went out on a pop fly to Groh and Felsch flew out to left.

Strikeout Exhibition. In the second and third the crowd was treated to a remarkable exhibition in which Gar-Hill, Risberg, Schalk, Williams, Liebold and Eddie Collins struck out. In the Reds half the second Duncen and Newkirk struck out. Kopf interposed a foul out to Schalk, and in the third the Sox did little better, going out in rotation.

(Continued on Page Six.)

PLAYERS WILL CUT LARGE PLUM

Chicago, Oct. 6.—Today's game was the last in which players on the Cincinnati Nationals and Chicago Americans shared receipts. According to unofficial figures based on a total players' share of \$260,349.66, the winning team will divide among its members \$117,157.35. The losing team will take down \$78,104.90 to be shared by its members. The amount that will go to the American and National league clubs that finished second and third also was determined by the fifth game of the series played today. To the New York Nationals and Cleveland Americans, according to the unofficial figures, will go \$39,052.45, to be shared equally, while the Chicago Nationals and New York Americans will split \$26,034.96 for finishing third.

STEEL STRIKE UNCHANGED

Promised Break in the Ranks of Men Failed.

Some Eastern Plants Start Operation with Short Force of Workers.

PITTSBURGH, Oct. 6.—A break in the ranks of the steel strikers hoped for by some of the companies, did not come about today when the third week of the struggle opened but reports came from different sections of the starting of a number of smaller plants. These were at Donora, Pa., where the rod, blooming and zinc mills of the American Steel & Wire company were placed in operation after being idle since the strike began and at Monessen, Pa., where the Pittsburgh Steel company, the Pittsburgh Steel Products company, the Page Steel & Wire company and the Monessen Foundry company also put to work men who applied for their old jobs. The Wierton Iron & Steel company also started up part of its plant at Wierton, W. Va., while a few departments in the mill in the city of Pittsburgh were claimed to be in operation of a small gain.

It was claimed by the union leaders that none of the plants were working. There were no reports today of any attempt on the part of the Carnegie Steel company, the largest subsidiary of the United States corporation, to start up idle plants. Little change was noted in the works of that company in the Pittsburgh district, tho it continues to be maintained by operating officials that more men apply for work every day.

Union headquarters here denied a report from Coatesville, Pa., where one of the plants of the Midvale Steel & Ordnance company is situated, that organizers there had advised men to return to work and that the strike in Coatesville is ended.

At Homestead union organizers report that the big works there are continually losing men. It was given out by strike leaders that railroad men have informed them that very little finished product is leaving the plant.

In a summary of the general strike situation sent out to all secretaries, organizers and steel strikers by national headquarters tonight figures are given as of Oct. 6, indicating that 367,500 men are on strike. This is an increase of 88,500 compared with the figures given out by headquarters just after the strike started. The figures in detail are as follows:

Pittsburgh	25,000
Homestead	9,000
Braddock	10,000
Rankin	5,000
Clairton	4,000
Duquesne-McKeesport	12,000
Vandergrift	4,000
Brackenridge	5,000
New Kensington	1,100
Apollo	15,000
Leechburg	3,000
Donora-Monessen	12,000
Coelebrville	4,000
Youngstown district	70,000
Wheeling	18,000
Cleveland district	25,000
Strohenville	12,000
Chicago district	90,000
Ruffalo	12,000
Pueblo	4,000
Beckheim	23,000

The Carnegie Steel company's statement tonight said that No. 1 blast furnace at New Castle, Pa., was started up today, it being believed by the president of the board of trade there. The starting of this furnace, it was stated, places the entire plant of the company at New Castle in operation.

At Homestead the statement said good gains have been made more than 100 strikers returned to work today. And the tonnage was still going up on the statement added.

The Edgar Thomson works at Braddock, according to the company, also reported more men at work almost as large as at Homestead.

GREAT LABOR PARLEY OPENS IN WASHINGTON

Delegates Desire Action Rather Than Oratory.

CALLED BY WILSON

Purpose of Gathering Is to Establish Harmonious Relations Between Capital and Labor.

WASHINGTON, Oct. 6.—Representatives of the public evinced a desire for action rather than oratory at the opening session today of the industrial conference called by President Wilson. Apparently with the determination of differentiating this conference from many similar gatherings held in Washington, the public's delegates demanded that sessions be held night and day if necessary to establish a basis for harmonious relations between capital and labor during the present abnormal economic conditions. Bernard M. Baruch of New York, one of these delegates, was active in directing the affairs of the conference which was considered significant in view of his close friendship with President Wilson and his frequent visits to the white house.

After the appointment of committees on nominations and rules the conference adjourned to meet tomorrow morning. Gavin McNab of San Francisco, a representative of the public was mentioned prominently for permanent chairman of the conference.

Motion to adjourn by W. D. Mahon, one of the delegates of the American Federation of Labor, brought the first indication of the men named to represent the public were prepared to force results. Thomas Chadbourne of New York, who sat with Mr. Baruch, took the floor immediately. "All the men on both sides and in the middle of this hall," he said, referring to the seating arrangement whereby delegates of Capital and Labor on either hand of the public representative's seats, "are here to work as rapidly as possible and to adjourn as little as possible; and I know that the men in the middle of this situation want to carry on these conferences day and night if necessary to get thru. I would like very much to see the motion changed so we can meet again this afternoon or evening."

Mr. Mahon explained that a meeting of the executive council of the federation had been called some time previously which it was impossible to postpone, and Mr. Chadbourne withdrew his suggestion. Later on, however, Mr. McNab took the floor with the same thought as that expressed by Mr. Chadbourne.

"In view of the fact that this conference is in the interest of harmony," Mr. McNab said, "suppose we set the example of working harmoniously and not making the principal and first feature of it a desire to adjourn."

He declared that the conference should show the people of the country how to work, but did not press the point and the motion to adjourn was carried.

Wilson Calls Meeting to Order. Virtually every delegate was in his seat when Secretary Wilson called the meeting to order in the Pan-American Union building's beautiful hall.

John Barrett, director general of the union, in welcoming the delegates thru the generosity of the late Andrew Carnegie, called attention to the fact that this conference endeavoring to stabilize industrial peace was meeting in a structure devoted to maintaining the peace of the Western Hemisphere.

The very decorations of the hall, he pointed out, bore the word "pax." "May I emphasize," Mr. Barrett said, "that the Pan-American Union is a great practical working idea of the league of nations, the only league of nations in the world that has long been and is governing concern. It is its governing board, its staff its equipment and this building—form also an industrial plant that manufactures and distributes products of good will and information that make for permanent peace and welfare of the western hemisphere and hence of all the world." "During the last thirteen years," the speaker continued, "composed of Latin-American diplomatic representatives in Washington and the secretary of state of the United States which gathers every month, has prevented thru its moral influence six wars between the American governments and peoples."

Opportunity for Great Work. Secretary Wilson told the delegates they had been given opportunity for splendid achievement and wished them Godspeed on behalf of the president. The only discordant element affecting the conference was the absence of John L. Lewis of the United Mine Workers, who is engaged in wage negotiations that threaten a strike.

(Continued on Page Four.)

PRESIDENT WILSON CONTINUES TO SHOW IMPROVEMENT

WASHINGTON, Oct. 6.—President Wilson continued his progress toward recovery today, his physicians reporting that cumulative effects of several comfortable days and nights slowly was making itself felt in a gain of strength. He was kept in bed, however, and it was emphasized that he still was far from being a well man.

Today's bulletin was brief but expressed optimism on the part of the physicians. It was signed by Rear-Admiral Stitt, head of the naval medical school here and Dr. Sterling Ruffin of Washington, in addition to Rear-Admiral Cary T. Grayson, the president's personal physician, and said:

"White House, Oct. 6, 11 a. m. "The improvement in the president's condition noted yesterday has continued. He had a satisfactory night. (Signed) "Grayson, "Ruffin, "Stitt."

This was the first time Doctors Stitt and Ruffin, who have been assisting Dr. Grayson, has signed a bulletin which was issued after a consultation between the doctors. There was no indication that the president would be permitted to resume the duties of his office at any time soon although it was said he might be able to give attention to some official matters later in the week.

At a cabinet meeting at the White House, over which Secretary Lansing presided, Dr. Grayson advised that none but the most pressing business be referred to the president. Afterward Secretary Tumulty announced that a session around the cabinet table revealed little in various departments that required immediate attention.

Among the many messages of sympathy which kept the White House wires busy during the day was one from Pope Benedict, saying he prayed for the president's speedy recovery.

KING ALBERT VISITS NIAGARA FALLS

Overstays Time Allotted by Two Hours—Was Reluctant to Leave.

Buffalo, N. Y., Oct. 6.—King Albert of Belgium, his consort and the Duke of Brabant, their son, revelled in the democratic freedom of the Pilgrims to the Niagara Falls today overstaying by two hours the time allotted them there and even then were reluctant to leave. His majesty was seeing the falls for the second time, coming here on his visit to America before he was king, but he appeared to enjoy the sight of the mighty cataract no less than the noceen and crown prince.

Following a reception here the royal party started for Toledo which was to be the last definite stop on the trip to Santa Barbara, Cal. The train will be sidetracked at some quiet place during the night and will not reach Toledo until noon. The monarchs will remain in the city an hour, but there will be formal ceremonies as they visit Toledo as friends of Brand Whitlock, former mayor.

SENTENCED THIRTY YEARS

Carrollton, Mo., Oct. 6.—William Wadlow, a negro, was sentenced to thirty years in the state penitentiary here today, following an alleged attack he is said to have made last night on a white woman passenger on a train of which he was porter. The negro denied that charge but pleaded guilty to another charge, was sentenced and hurried away to the penitentiary by the authorities as a precautionary measure.

FIVE MEN SHOT

Oakland, Calif., Oct. 6.—Five men including Police Captain W. F. Woods, were shot this afternoon in the rioting consequent upon the attempt of the San Francisco Oakland Terminal Railway to resume street car traffic at the beginning of the sixth day of the strike. The men asserted they were shot from a car. None of the wounds are dangerous. Following the rioting eight persons were arrested on a charge of shooting and ten others were taken into custody for alleged throwing of stones.

CORN HUSKING UNDERWAY IN CENTRAL ILLINOIS

Bloomington, Ill., Oct. 6.—Following the most advantageous weather for maturing the crop experienced in years, corn husking began generally over central Illinois today much earlier than usual. The grain is perfectly dried in marked contrast to the crop last year and the yield will run ahead of expectations in most fields.

TWO NEGROES LYNCHED

Washington, Ga., Oct. 6.—Jack Gordon, negro, charged with wounding Deputy Sheriff Fred Gordon near Lincoln, Ga., Saturday night, and Will Brown, another negro, were lynched early today near the scene of the shooting, according to reports received at the sheriff's office here. Gordon was taken from this place early today by the county sheriff enroute for Lincoln and a number of white men in automobiles followed.

DENIES PROHIBITION HAS INCREASED USE OF ICE CREAM

Chicago, Oct. 6.—Delegates attending the meeting of the National Association of Ice Cream Manufacturers denied today that National prohibition has caused an increase in the consumption of ice cream and kindred "sweet" confections. According to A. R. Gardner, president of the association, Chicago, Oct. 6.—Retail dealers today increased the price of ice cream one cent a loaf. The regular price is 11 cents a loaf or two loaves for 21 cents. The baker increased the price one-half cent a loaf and the retailers were expected to follow suit. A rumor that a full cent to the price charged consumers.

KILLAM FARM SOLD

Home Morris recently purchased the farm of John Killam located five miles west of Jacksonville. The sale was made by Bert Killam and the purchase price was \$260 an acre.

AMERICAN STEAMER REPORTED LEAKING

Radio Message Picked Up in Halifax Asking for Immediate Aid.

Halifax, Oct. 6.—A radio message asking for immediate assistance was sent by the American steamer Polar Land tonight. The message said she was leaking badly and that the pumps were unable to control the rush of water. Her position was given as latitude 49 north, longitude 53-47 west. This position is 1,000 miles east of New York. The message was picked up by the radio station at Cape Race, N. E., and forwarded to the marine department here.

The Polar Land, of 2,501 tons, was bound from New York for Gibraltar with a cargo of wheat.

MINISTERS ELECT OFFICERS FOR YEAR

Two New Members Received by Association at Monday Morning Meeting.

At a meeting of the Jacksonville Ministerial association held at the Y. M. C. A. Monday morning officers for the year were elected and other business transacted. Rev. E. B. Landis, pastor of Westminster Presbyterian church, was elected president of the association, and Rev. G. W. Randle, pastor of Brooklyn M. E. church, was chosen secretary.

Two new ministers, appointed to this city by the Charleston conference, were received into the association. They were Rev. G. V. Goudy of Centenary church and Rev. T. H. Tull, the new pastor at Grace M. E.

A program committee was also selected at the meeting, composed of Rev. Myron L. Pontius, chairman; Rev. T. H. Tull, and Rev. W. E. Collins.

The order of chaplaincy for the Jacksonville State hospital follows: October—M. L. Pontius. November—W. E. Spoons. December—E. B. Landis. January—J. P. Langston. February—G. W. Randle. March—A. A. Todd. April—W. A. Markbach. May—T. H. Tull. June—D. V. Goudy. July—T. H. Tull. August—M. L. Pontius. September—W. E. Spoons.

INSANE MAN STANDS OFF SHERIFF'S POSSE

Denison, Iowa, Oct. 6.—William Warner, a farmer charged with being insane, stood off a sheriff's posse that attempted to arrest him today by using his wife as a shield while he fired forty shots. When his ammunition was exhausted he used the last shot to kill himself. A deputy sheriff received two slight wounds when the insane man, who was armed with a shotgun, was defending himself against an 18-year-old son of Warner who was armed with an iron bar. The son was shot in the leg by the sheriff while attempting to reach a shed where his father was barricaded.

WILL ATTEND MEETINGS OF MEDICAL ASSOCIATION

Dr. C. C. Cochran of this city will be one of the speakers at the sessions of the Medical Society of the United States which is to meet today and tomorrow in Chicago. His subject is to be "Origin, Development and Care of Our Babies." The meetings of the association will be held at the Great Northern Hotel.

JUDGE LAYMAN HERE FOR ELECTION

Judge M. T. Layman came to Jacksonville from Chicago last night to spend a number of days. Judge Layman said that he timed his visit a little earlier than would otherwise been true, in order to be able to vote for the bond issue at the election today.

INDIANA TOWNS PLACED UNDER MARTIAL LAW

Gen. Wood Sends Federal Troops to Gary.

NO DISORDERS MONDAY

Request for Aid Made as a Precaution Against Serious Violence.

BULLETIN.

GARY, Ind., Oct. 6.—At ten o'clock tonight Major General Leonard Wood in command of federal troops here issued an order placing the town of Gary under martial law.

CHICAGO, Oct. 6.—Declaring of martial law in the towns of Indiana Harbor and East Chicago, Ind., and the dispatching of federal troops to Gary, Ind., although no violence had occurred since Saturday, marked today's developments in the steel strike situation in the Chicago districts.

Acting under authority conferred on him by Governor James P. Goodrich of Indiana, Adjutant General Smith in command of twelve companies of state troops on duty in the Indiana strike zone, tonight declared martial law in a territory embracing the towns of Indiana Harbor and East Chicago and extending for five miles in either direction from each of them. The step was taken, General Smith said, following "indications of trouble," and after consultation with the mayors of the two towns.

A detachment of approximately 1,000 federal troops from Fort Sheridan, Ill., under personal command of Major General Leonard Wood, commander of the central department of the army, took over control of the situation Gary tonight, following an appeal for aid to General Wood from Governor Goodrich of Indiana. On arrival of the federal troops the state units, which have been distributed over the Indiana strike district, were withdrawn from Gary and concentrated in Indiana Harbor and East Chicago.

State troops had been sent to the district after rioting on Saturday night at Gary and Indiana Harbor.

There was no disorder in either of the strike centers today but at Gary where the mayor had forbidden parades or mass meetings, 2,000 strike sympathizers, headed by 200 former soldiers in uniform, paraded through the main streets of the town and held a meeting in an East Side Park. No effort was made to interfere with the parade or meeting.

Speakers at the mass meeting some of whom were former soldiers in uniform announced a meeting of former service men at 9:30 tomorrow morning to consider plans for the "release of one of our men" held in custody. It also was announced that a mass meeting would be held tomorrow afternoon in a downtown hall. Outwardly the situation was quiet throughout the strike district today.

No disorder was reported from any point. There seemed to be a tense feeling and officers admitted that they feared trouble.

Steel plants thruout the district continued to operate today with varying forces of men at work. As on previous days, plant officials claimed that many additional men would be reported to work but strike leaders asserted that only a few unskilled workers had gone back.

After an investigation following the arrest of a negro, on a charge of carrying a weapon, C. E. Huber, assistant postmaster at Gary, declared today that many Negroes were being received by the army at Gary thru the mail from Chicago. He expressed the belief that postoffice authorities would not refuse delivery of the mail after they had been checked in the mail. He urged that their acceptance be refused in Chicago.

General Wood announced that he would assume personal command of the troops. "On Wednesday morning, after the first fight at Hoop Spur the negroes crossed the track and lay in the weeds all day waiting for the army to materialize, but when runners informed the leaders that white men were entering the woods at Hoop Spur they decided to go up and wipe out the little gang that was reported to be there before entering more serious task of capturing Elaine. They under estimated the size of the force from Helena and the battle resulted.

"I have cross-examined at least one hundred prisoners at Elaine. They belong to different lodges in that section. The stories they tell are almost identical as to the promises and representations made by Hill. A remarkable thing is that some of the ring leaders were found to be the oldest and most prosperous of the negroes. He had made them believe that he had been interviewed with a sacred mission, which had to be carried out regardless of consequences."

The committee of seven is composed of leading Helena businessmen. It had been authorized to carry on the investigation, both by the president and committee of the United Negro College Fund, and by Governor Cleveland P. Pennington of Arkansas. It is cooperating with the military authorities.

INCREASE BREAD PRICE

Chicago, Oct. 6.—Retail dealers today increased the price of bread one cent a loaf. The regular price is 11 cents a loaf or two loaves for 21 cents. The baker increased the price one-half cent a loaf and the retailers were expected to follow suit. A rumor that a full cent to the price charged consumers.

CONDITIONS UNCHANGED

St. Louis, Oct. 6.—The conditions at St. Louis were unchanged today. A rumor was reported that a full cent to the price charged consumers.

WITHDRAW U. S. SHIPS FROM ITALY

Rome, Sunday, Oct. 5.—(By the Associated Press).—Rear-Admiral Philip Andrews, in command of the American squadron, has issued orders for the withdrawal of the American ships from Spalato, Adriatic food supplies are being removed from the city. Admiral Andrews, according to advices received here, has declared to the Italian authorities at Spalato that the United States wishes to remain outside of any complication, and that the responsibility rests entirely with Italy. Judge-Slay reports are to the effect that Admiral Andrews has received instructions to the effect that any future attempt against the Spalato-Traut zone would be considered as directed against the United States.

REPORT ON HELENA RIOTS

Startling Statement Made by B. M. Allen.

Whole Uprising Started by Negro Who Preyed on the Ignorance of Negroes.

HELENA, Ark., Oct. 6.—A statement was made today on the recent riots by B. M. Allen of the committee of seven authorized by local officers and Governor Brough to investigate the trouble, charging that the affair was organized by a negro who preyed on the ignorance and superstition of a race of children for monetary gains.

Mr. Allen, who was one of the twenty-one leading men listed in death, after hearing confessions, examining circulars and other evidence procured by state and military officers in connection with the work of the committee issued the statement to explain what the committee had found to be the situation leading to the killing of five white men and a score of negroes. In it he said:

"The present trouble with the negroes in Phillips county is not a race riot. It is a deliberately planned insurrection of the negroes against the whites, directed by an organization known as the progressive farmers and household union of America, established for the purpose of banding negroes together for the killing of white people. This union was started by Robert L. Hill, a negro of Winchester, Ark., who saw in it an opportunity for making easy money. He started his first union work in April of this year, telling the negroes that he was an agent of the government. He told them that it was necessary for all members of the union to arm themselves in preparation for the day when they should be called upon to attack their white oppressors. He told them that those members who were unable to buy ammunition would be supplied by the union from the government store house at Winchester.

"Negro men were charged \$1.50 entrance fees and negro women fifty cents. A doctor's certificate was given to each negro on payment of fifty cents. This certificate was supposed to be the registration document. Those possessed of funds were enrolled in an advanced section of the union and on payment of whatever sum Hill could procure. Another form of extortion was to sell shares of stock in the union to the negroes in a proposed building to be erected by the union. Hill urged all to decide upon a plan of campaign when the day came to strike and designated the part to be played by every man.

"On Wednesday morning, after the first fight at Hoop Spur the negroes crossed the track and lay in the weeds all day waiting for the army to materialize, but when runners informed the leaders that white men were entering the woods at Hoop Spur they decided to go up and wipe out the little gang that was reported to be there before entering more serious task of capturing Elaine. They under estimated the size of the force from Helena and the battle resulted.

"I have cross-examined at least one hundred prisoners at Elaine. They belong to different lodges in that section. The stories they tell are almost identical as to the promises and representations made by Hill. A remarkable thing is that some of the ring leaders were found to be the oldest and most prosperous of the negroes. He had made them believe that he had been interviewed with a sacred mission, which had to be carried out regardless of consequences."

The committee of seven is composed of leading Helena businessmen. It had been authorized to carry on the investigation, both by the president and committee of the United Negro College Fund, and by Governor Cleveland P. Pennington of Arkansas. It is cooperating with the military authorities.

LICENSED TO MARRY

W. J. Sheffer, Alex. A. Albee, Buckley, Jacksonville.

LITTLE PROGRESS MADE ON TREATY MONDAY

Most of Day Taken Up with Debates.

M'CORMICK IN ADDRESS

Fed to Reach the Reading of the Printed Text of the Shantung Amendment.

WASHINGTON, Oct. 6.—Consideration of the peace treaty in the senate today did not reach the reading of the printed text, leading up to the Shantung provision on which the next day will be made. The day's program comprised four speeches with a small attendance and listless interest in the proceedings. The principal speech was by Senator McCumber of North Dakota, Republican member of the foreign relations committee who declined to sign the majority report recommending amendments and reservations to the treaty and the league of nations covenant. Other speakers were Senator McCormick of Illinois and Senator McClellan of Montana. The discussion related to much ground heretofore covered, although Senator McCormick devoted some time to the British-Persian treaty.

Some senators anxious to speed up the treaty had indicated that it might be possible to jump right into discussion of the Shantung question with prospects of a vote within the next few days. There was scarcely a reference to it, however, and as the debate was general, no effort was made to resume the reading so as to bring the senate up to the Shantung amendment next on the list for a vote.

Hiscock Urges Speed. Senator Hiscock, of Nebraska, leading the Democratic fight for unamended ratification, objected today to a move to set aside the treaty temporarily to consider another matter and in doing so insisted that the senate should begin work on the pact earlier than two o'clock, the usual hour at which it has been called up. Members of the Democratic caucus are counting on a vote about the first of next month and as this depends of course upon final disposition of the treaty the suggestion has been made by some senators it was said that the two parties endeavor to separate conferences to figure on how much actual talking time will be required by both sides.

That every senator, regardless of future will vote regardless of future disposition in some quarters no to prolong the proceedings by speeches the Democratic and Republican leaders unite in declaring that attempts to shut out speeches will not be tolerated. What they seek, it is said, is a voluntary agreement, calculated to hasten a vote.

Takes up Voting Powers

Senator McCumber, in his speech today, sharply denied the argument that Great Britain would have six votes against one for the United States in the league and contended that the United States would be a dominant power. At a mere nod from his government, he said, ten countries of the western hemisphere had declared war on Germany and it was the most natural thing in the world, he added, to find them standing with and voting with the United States. Most in bloc for anything that the United States declared. In a dispute between the United States and Great Britain or in matter vitally affecting the interests of either nation, Great Britain's colonies would have no voice in the league, Senator McCumber declared, while the step-children of the United States, the Central American states would follow this country. Referring to Senator McCormick's contention that France, Italy and other powers would have bitter opposition a voting plan that gave Great Britain a six to one standing over the United States, Senator McCormick insisted that framing a covenant "representative of every great power challenged the principle of representation."

In the French chamber of deputies during recent debate on ratification of the treaty, Senator McCormick said, a resolution was championed for amendment of the treaty by changing the league voting system, but was not passed because the chamber under the French constitution without power to amend treaties.

WEATHER INDICATIONS AND TEMPERATURE

Illinois:—Fair Tuesday afternoon and Wednesday, cooler Tuesday afternoon or night in north portion. Temperatures. The current, maximum and minimum temperatures as reported Monday were: Jacksonville, Ill., 84-64; Boston, 74-54; Buffalo, 72-52; New York, 72-52; New Orleans, 82-68; Chicago, 72-52; Omaha, 72-52; Minneapolis, 72-52; Helena, 66-46.

TENTING MAY BE POPULAR

Down in Washington the demands for houses is so active that authorities have received petitions from people who wish to pitch tents in the public parks. Fortunately it is warmer in Washington than in some other cities and the "tenters" are not likely to have any great discomfort even during the winter months. This demand for houses is nationwide and already here in Jacksonville it is just about as acute as in the larger cities. Today about the only way to get possession of a desirable house here in Jacksonville is to buy it at the owner's price.

SHIPS TO THE ALLIES

Twelve American steamships, aggregating 70,000 deadweight tons and valued at more than ten million dollars have been ordered from the German ports to the Fifth of Forth for "allocation" among the allies. The claim of American ownership was certified by Great Britain early in the war. When the ships were ordered brought home by their American owners, the Allied Naval Armistice Commission arbitrarily ordered that the ships be considered subject to seizure as German shipping.

The ships will be allocated as follows: France, 23,000 tons; Italy, 10,000; Belgium, 12,000; Great Britain, 12,000; United States, 4,000. When we get into permanent partnership with these benevolent powers, they are going to do us good, yet do us good. And if we complain of such decisions as this, we will be disturbing the peace of the world and the dreams of our crusaders who want to make Americans the valets of mankind.—(National Republican.)

BEWARE OF OVERCONFIDENCE

The only things that can possibly defeat the bond issue today are over-confidence and apathy. One voter who was talking about the election yesterday said: "Oh, yes, I intend to vote for the proposition but it really isn't necessary because I have not heard of the least opposition."

Now this voter meant well but he was uttering a dangerous sentiment. If too many people today happen to feel that the proposition

is certain to carry whether they vote or not, there is danger of defeat. The propositions to issue bonds to pay debts, to provide a water filtration plant and power plants are important enough to merit the attention of the men and women of Jacksonville. They should go to the polls today and definitely express their views on this matter. The polls are open from 7 a. m. until 5 p. m. and the list of polling places appears elsewhere in this issue.

SHOULD TELL HOW IT'S DONE

In the midst of so much publicity about industrial unrest it is interesting to read an article in a current magazine telling the story of some large manufacturing concerns where strikes have never been known. The Baldwin Locomotive works has been in business for 94 years and that without a strike ever having been recorded among its 17,000 employees. The Diston Saw Co. has been in business over 70 years and has 15,000 employees and has a strikeless history. There have been disputes over wages but these have always been amicably settled.

The open shop plan is followed but the employees with the co-operation of employers have arrangements whereby any grievances are considered. Certainly representatives of these companies should be subpoenaed to appear before the industrial conference now being held in Washington and required to give the recipe or pattern which has resulted in such satisfactory relationship between capital and labor thru so many years.

CAPITAL! LABOR! STOP! LOOK! LISTEN!

(Editorial from Illinois Journal of Labor.)

Capital and Labor, you have both mistaken the real foe of industrial peace and progress. You are both fighting an imaginary enemy—in fighting each other, you but destroy yourselves. You are not real enemies. You should be real friends. The common enemy is the Profiteer. He will get you both if you continue to fight each other. You must stop fighting each other—join forces and destroy the real enemy who is the real cause of the industrial revolution now in its incipency and gaining strength each day. Even injury you do each other but impairs your strength and resources, every ounce and every dollar of which will be necessary in the common struggle against the common foe, the malefactor of the age, the enemy of mankind—the American Profiteer.

Unless this greedy monster is destroyed and that quickly he will have consumed the vitals of the republic—destroyed belief in a democratic form of government—destroyed the confidence of men in each other, and men's confidence in and reliance upon those placed in authority, totally eliminating all respect for law and order and only anarchy and bloody revolution can result.

In the meantime, you, Capital, and you, Labor, are wasting your strength and resources in fighting each other, and the great common enemy looks on in glee and gluts his greed with the wealth and credit of the nation. Stop—Look—Listen—At least declare an Armistice for the time necessary to destroy the monster creeping in at every door of the American home. Declare an industrial armistice—then unite your forces and in solid array march upon the strongholds of the common enemy and totally destroy them forever. Then in comradeship established by this essential strife, perhaps you, both capital and labor, will have acquired sufficient respect for each other to cause you to sit down and reason together for after all, your contentions are but a family quarrel and in the interest of the welfare of the family must be forgotten and perhaps will be forgotten when the insidious foe who has inspired the industrial strife is destroyed—The American Profiteer. American? Well, let it go at that. In the meantime—your common interest dictates it—your common sense suggests it, and the common welfare demands it.

OCTOBER

It makes me feel sober to know that October is just about due at the door; her curves all remind me of long years behind me, and short ones that stack up before. October is a ghostly, shaggy, sudden, mostly, with leaves that are chilly and rains that are silly, and farewells to robins and bees. Oh, dreary October, in sadness they robe her, her garments are ashen and brown; the year's growing older and feebler and colder, which reminds me my sun's going down. October's the token of joys that are broken, the roses are withered and gone; nasturtiums and asters have met with disasters, they flourish no more on the lawn. It rains, but the water would have to be hotter before it could nourish the health; it's raw and it's chilling and clammy and killing and brings me a message of death, the cool winds are sighing, the wild geese are flying, and honking like automobiles; their wide wings are humming, they herald the coming of weather that promptly congeals. The summer's departed and Autumn's well started, and winter will come with a rush, the winter so yellow—than happy the fellow who's saved up a package of cash.

The Ladies' Aid society of the Woodson Christian church will serve dinner at the home of Mrs. John Shirley 3 1/2 miles east of Woodson Thursday, Sept. 9th. Everyone cordially invited.

COURT OF HONOR INSTALLS OFFICERS

Current Statement

October 1, 1919

Statement of the Ownership, Management, Circulation, Etc., Required by the Act of Congress of August 24, 1912, of

JACKSONVILLE DAILY JOURNAL

Published Daily, Except Monday, at Jacksonville

State of Illinois,

County of Morgan.

Before me, a Notary Public, in and for the state and county aforesaid, personally appeared J. W. Walton, who, having been duly sworn according to law, deposes and says that he is the Business Manager of the Jacksonville Journal and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 443, Postal Laws and Regulations, printed on the reverse side of this form, to-wit:

1. That the names and addresses of the publisher, editor, managing editor, and business manager are:

Name of— Postoffice Address—
Editor—W. L. Fay, 1243 West State Street, Jacksonville.
Managing Editor—W. L. Fay, 1243 West State St., Jacksonville.
Business Manager—J. W. Walton, 339 West State Street, Jacksonville.

Publishers—JACKSONVILLE JOURNAL COMPANY.

2. That the owners are: (Give names and addresses of individual owners, or, if a corporation, give its name and the names and addresses of stockholders owning or holding 1 per cent of the total amount of stock.)

W. L. Fay, 1243 West State Street, Jacksonville, Ill.
J. W. Walton, 339 West State Street, Jacksonville, Ill.
W. A. Fay, 339 West North Street, Jacksonville, Ill.
S. W. Nichols, 717 West College Street, Jacksonville, Ill.
A. D. Fairbank, 905 Grove Street, Jacksonville, Ill.
L. F. Joy, R. F. D., Chapin, Ill.
Mrs. H. Yates, 5 Duncan Place, Jacksonville, Ill.

3. That the known bondholders, mortgages, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.)

There are no bonds, mortgages or other securities outstanding against the JACKSONVILLE JOURNAL COMPANY.

4. That the two paragraphs next above, giving the names of the owners, stockholders and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, for the purpose, to paid subscribers during the six months preceding 5,464 the date sworn to above is

J. W. WALTON,
Business Manager.
Sworn to and subscribed before me this 1st day of October, 1919.
KATHERINE EVANS,
(Seal) Notary Public.
(My commission expires Feb. 26, 1923).

The Journal is a member of the Audit Bureau of Circulation and the figures above beside being a sworn statement to the government are subject to audit by this bureau.

CHAMINADE MUSIC CLUB

The annual business meeting of the Chaminade Musical club was held Monday afternoon at the home of Mrs. Charles Hopper, 301 North Diamond street.

A number of members were presented for membership, and another successful and profitable year is expected by the members who are all ready and anxious to begin work.

The following officers were elected:

President—Mrs. Robert L. Stice.
Vice president—Mrs. Thomas Harber.
Recording secretary—Mrs. Charles Hopper.
Corresponding secretary and librarian—Mrs. Virginia Vasey.
Treasurer—Mrs. Charles Wolke.

The program committee reported "Music in America" as the general subject for the season's program arranged in fourteen programs of selections from the works of American composers outlined as follows:

Outline for Study.
Oct. 6—Annual business meeting.
Oct. 20—Early American Music. Tribal Melodies, Colonial Pioneer, Romantic, Plantation, Civil War Songs, Patriotic.
Nov. 3—Louis M. Gottschalk (1829-1869); Wm. Mason 1829-1908; Stephen C. Foster 1826-1864.
Nov. 17—Homer Bartlett (1846); G. W. Chadwick (1854); Arthur Foote (1853).
Nov. 31—Miscellaneous American Composers.

Dec. 15—Christmas Music.
Jan. 7—Adolph M. Foerster (1854); Ethelbert Nevin (1862-1901); Olej Speaks (1876).
Jan. 21—E. A. MacDowell (1861-1908); E. R. Kroeger (1862); Sidney Homer (1864).
Feb. 4—Opera in America.
Feb. 18—Open meeting. Ensemble music.
March 4—Illinois Composers.
March 18—Miscellaneous American Composers.
April 1—Easter Program.
April 15—American Woman Composers.
April 29—Spring Music.

Tobacco Habit Dangerous

says Doctor Connor, formerly of Johns Hopkins hospital. Thousands of men suffering from fatal diseases would be in perfect health today were it not for the deadly drug Nicotine. Stop the habit now before it's too late. It's a simple process to rid yourself of the tobacco habit in any form. Just go to any up-to-date drug store and get some Nicotol tablets; take them as directed and lo! the pernicious habit quickly vanishes. Druggists refund the money if they fail. Be sure to read large and interesting announcement by Doctor Connor soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. In the meantime try Nicotol tablets; you will be surprised at the result.

Administratrix Sale

of the

Harness Stock

of

John F. Lovekamp

(Late of Arenzville, Illinois.)

To All Farmers and Teamsters

Commencing at once, the entire stock of the harness sales and repair business, formerly conducted by John F. Lovekamp, late deceased, will be closed out at prices attractive to purchasers, at Arenzville.

The major portion of this stock to be sold was contracted for in the fall of 1918 for 1919 spring and fall delivery. All shipments have arrived. Since their purchase several marked advances have been made on the wholesale prices. These advances will not be included in the sale prices of the stock to be disposed of.

This Represents a Bargain to Purchasers at Attractive Prices

The harness business of John F. Lovekamp was known as the best throughout central Illinois, and noted for its high quality and selection. Serviceable stock was the maxim of the proprietor. No old stock carried in this line; the business was entirely cleaned out by fire in 1913 and re-established in 1914 with new and complete stock.

Leather Trade Journals Say the Peak of Prices Has Not Been Reached in Leather Goods and Their Make-Ups

Here is the opportunity in this line. A large stock to select from, all new. Everything in horsewear on hand. Small line of automobile accessories.

These Goods Must Be Sold, and They Will Be Priced So They Will Sell

This sale begins at once. Interested parties should come at once. Prices represent values less than they could be replaced at present wholesale quotations.

EMMA LOVEKAMP, Administratrix

Estate of John F. Lovekamp, Deceased.

(Parties interested in entering the harness sales and repair business will find this an opportunity. Goods will be invoiced at old prices; and a business already established will be turned over to them. Communicate at once.)

One of the Very Uncommon Things Is Common Sense

Where your health is concerned you should use your best judgment. Health is the foundation upon which you must build all things, and neglect of health means failure. When your condition is normal, your mental faculties are alert, your decisions are right and success is sure to attend your ventures.

When you try Chiropractic you are taking the sensible course, and the results will prove this assertion. I analyze the spine and adjust accordingly.

Asserts New Discovery

Brings B'essed Relief to Rose

and Hay Fever Sufferers

Can Make It Yourself At Home At Trifling Expense

In spite of all the doubters and scoffers, a man in Kentucky, who changed his annoying and distressing hay fever into less than a mild cold, claims most emphatically that it taken in time hay fever can be conquered or at least made so harmless that it is not even bothersome.

He gave his discovery to scores of other sufferers with the most remarkable results and has recently been prevailed upon to dispense it through pharmacists to all hay fever sufferers who still have faith that nature has provided an effective remedy for this common yet miserable disease. And best of all this remedy costs

almost nothing. Get a one ounce bottle of Mentholized Archie at any drug store, pour the contents into a pint bottle and fill the pint bottle with water that has been boiled.

Then gargle as directed and twice daily sniff or spray each nostril thoroughly.

That's all there is to it; so simple that a lot of people will say that it can't do the work but oftentimes simple natural remedies are the best as you will find after using.

If you will make up a pint and use it for a week or ten days you need not be surprised if your welcome yearly visitor fails to appear.

City and County

Miss Theresa Lonergan, bookkeeper at J. H. Cain's Sons, left yesterday for two weeks vacation in St. Louis, Carrollton and Winchester.

B. F. Rawlings and wife were city callers from Durbin yesterday.

E. Frances and wife were down to the city from Litterberry yesterday.

Amos and Misses Leottia and Mildred Gibler were city shoppers from White Hall yesterday.

Miss Lulu Biggs has returned from a visit with her brother in Middletown, Ohio.

Mr. and Mrs. E. O. Spink of Chandlerville spent Sunday with Mr. Spink's parents, Mr. and Mrs. Ebenezer Spink of this city. Mr. Spink has been appointed to a responsible position in Wisconsin in the employ of the Home Fire Insurance Co., of New York and will shortly enter on his duties and will probably remove to that state.

A. C. Winklesham and family

were down to the city from Arenzville yesterday.

Mrs. Charles Lovekamp and Mrs. D. Fritz and daughter, Dora, all arrived in the city from Arenzville yesterday.

Messrs. Hull and Burnham and families motored from Waverly to the city yesterday.

Mr. and Mrs. Benj. Klockinga and Mr. and Mrs. Joseph Klockinga, all of Hartsburg, Logan county, visited in the city yesterday.

Elmer Barnes and family and James Rife were city arrivals from Chapin yesterday.

S. E. Barton made a trip from Woodson to town yesterday.

J. W. Green and family came from Biggs to the city yesterday.

Mrs. May Cade of Murrayville was one of the city shoppers yesterday.

Mr. and Mrs. Fred Craven traveled from Pisgah to the city yesterday.

Edward Stanley of Joy Prairie was a caller on city friends yesterday.

Wiley Todd helped represent Lynnville in the city yesterday.

O. G. Dunwiddle of the vicinity of Litterberry made the city a visit yesterday.

Jacob Christenson of Scott county, called in the city yesterday.

Percy Osborne of New York left yesterday morning for St. Louis after a visit with his parents, Mr. and Mrs. J. T. Osborne. It is a pleasure to know that the two sons of Mr. and Mrs. Osborne have done such credit to their parents and the city in which they were born and reared.

Elmer Beerup of Franklin was a caller in the city yesterday.

W. J. Myers of Havana spent Sunday in the city with his mother at the residence of J. I. Graham on South Prairie street.

Mr. and Mrs. Fred DeFrates spent Sunday and Monday in E. St. Louis with Mr. DeFrates' two brothers of that place.

Charles Woodall and James Travis traveled from Manchester to the city yesterday.

Mrs. Maud Smith and daughter Ethel were among the city shoppers from Manchester yesterday.

Edward Phillips and wife of the east part of the county came to town yesterday.

Ernest Salter and family of Arnold were among the auto riders to town yesterday.

Mrs. G. L. Seeger of Kansas City is visiting at the home of Mr. and Mrs. Ernest Walter east of the city.

Dean Crouse and family were up to the city from Murrayville yesterday.

Mr. and Mrs. Clay Roach have returned from a visit with friends in Philadelphia, Mo. They found very bad roads from Hannibal to Jacksonville.

Charles O'Donnell and family and Miss Doyle were up to the city from Winchester yesterday.

Miss Marie Hoagland was a city caller from Meredosia yesterday.

Mrs. George Hall of Alexander was a caller in town yesterday.

E. B. Frances of Sinclair neighborhood, traveled to town yesterday.

W. G. Pendell of the vicinity of Murrayville was a city caller yesterday.

Harold Hague of the south part of the county came to town yesterday.

H. H. Chaffner of Joy Prairie was attending to affairs in town yesterday.

T. J. Flynn of Buckhorn region made a trip to town yesterday.

R. D. Russell of Chillicothe, Mo., is visiting Mrs. S. L. Lark and family on West North street.

H. A. Jokisch of Arenzville made the city a visit yesterday.

Howard Bridgman of Arenzville was one of the city callers yesterday.

Mr. and Mrs. H. L. Davies of the east part of the county were transacting business in town yesterday.

Wednesday evening the ladies of Salem church will have a chicken fry and a program in connection.

Ad Beerup of Franklin, arrived in town yesterday.

John Ridder of Alexander was attending to affairs in town yesterday.

Crit Hainline, James Naulty and Lester Hart were all down

to town from Sinclair and vicinity yesterday.

Mrs. James Seaver and daughter were up to the city from Franklin yesterday.

Mrs. Samuel Ruble was a city shopper from Alexander yesterday.

Alfred Soueza of the north part of the county visited the city yesterday.

Mrs. Margaret Anderson and Mrs. E. K. Stevenson were city arrivals from Petersburg yesterday.

Mr. and Mrs. Harold Hague and Mr. and Mrs. Jess Decker and daughter Goldie were city callers from Alexander yesterday.

Mrs. William Lane and Mrs. William Miner traveled from Virginia to the city yesterday.

Henry Meyer of New Berlin had business in the city yesterday.

E. W. Jacobs of Springfield, was one of the arrivals in the city yesterday.

William Hohman journeyed from Alexander to the city yesterday.

Philip Cleary of the west part of the county made a trip to town yesterday.

Charles Beerup was a city caller from Franklin yesterday.

H. A. Jokisch of the vicinity of Arenzville made the city a visit yesterday.

William Hicks was up to the city from Franklin yesterday.

Mrs. William T. Price of Virginia was in the city yesterday visiting her long time friends, Mrs. J. I. Barrows and Misses Elizabeth and Lucy Sturtevant, guests of Mrs. Barrows and now living in Kushla, Alabama.

Miss Ruth Fenstermaker enjoyed a visit with Winchester friends Sunday.

Sherman Dorand has returned from a visit to Chicago.

Mr. and Mrs. H. A. Breeden and daughter, Julia Jane, made a trip to Virginia yesterday.

E. W. Hull was a city caller from Murrayville yesterday.

S. T. Rexroat was a city caller from Virginia yesterday.

N. B. Fox was down to the city from Sinclair yesterday.

C. W. Jacobs of Springfield was a Monday business caller.

Joseph M. McGuire of Alsey was attending to business matters in the city yesterday.

WOMEN AND GIRLS WANTED Pleasant work and hours. WARD'S BOOK BINDERY

A DAY OF FATE.

This is a momentous day in the life of Jacksonville. In it will be written the record of a crucial event in the history of our city. Her immediate and future welfare hangs in the balance. On the votes cast for the bond issue depends the rise or fall of the scale marking the stand and of Jacksonville's civic life. Lift it.

Shall our beautiful little city of homes and colleges and institutions, founded and built by our fathers, be passed on to our children's children burdened with debt in her resources, impoverished and unlovely? No, ten thousand times NO!

Let a trumpet call, like unto a summons to arms, be sent up and down our streets calling every loyal citizen to the polls in discharge of his duty, in meeting this opportunity and obligation to forward the community welfare. Every club and society should urge its members to show patriotic spirit and insist that no slacker be found in this roll call on this vote. Let every member of the Woman's Club go on record as voting for the bond issue and in bringing her friends and neighbors to the polls. In differences and forgetfulness enlarging the result of this vote can to rid ourselves of the onus of a debt that has hindered our forward movement, and to secure in adequate and wholesome water supply with out wasting money in costly experiments such as have marked our past efforts.

This is the athletic season. Let us one and all get into this voting game today, and cast such a ballot for "A Better Jacksonville" as will double, aye even quadruple the number of votes ever before cast in a single election.

Play ball, everyone, with victory for your slogan, and, no one except outsiders sitting on the benches.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.

Thousands take them every night just to keep right. Try them. 10c and 25c.

What is it that makes our American women often pale, sallow-faced with dark circles under the eyes, and very often old a forty-five when they should be in their prime?

Women suffer in girlhood from back irregularities and as a result disease of the womanly organs are more common any one but a physician in active practice could suppose.

After long experience in the treatment of women's diseases, Dr. Pierce evolved a vegetable tonic and corrective which he called Dr. Pierce's Favorite Prescription. It is a purely vegetable preparation without a particle of alcohol contained in it.

When a woman complains of backache, zzzzzzz or pain—when everything looks black before her eyes—a dragging feeling, bearing-down, with nervousness, she could turn to this "temperance" herb tonic. It can be obtained in almost every drug store in the land and the ingredients are printed in plain English on the wrapper. Put up in tablets or liquid form. Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., will send a trial size of 4 tablets for ten cents.

Which spreads its influence upon the nerves, cords and ligaments involved, rendering them pliant to readily yield to nature's demand. There is an absence of bearing-down pains, strain and general discomfort, more often than otherwise experienced when nature is unaided. Mother's Friend is used externally.

At All Druggists.

CITY COUNCIL HELD THE WEEKLY SESSION

Change in Dam Specifications Authorized Will Save \$1,900.—Citizens Talk About Bond Issue—Officers' Reports.

At the meeting of the city council Monday night on the suggestion of Engineer L. V. Baldwin and the citizens' water committee, some changes in the specifications for the reservoir were made and will effect a saving of about \$1,900. A number of citizens were present and following the council custom all were called upon for remarks and each visitor made some reference to the bond issue today. The feelings expressed were unanimously in favor of the proposal. Most of the other business disposed of was of minor importance.

Sewer Troubles.

Alderman Flynn referred to the need of some ditch drainage work in the first ward and was assured that this will have early attention from the street department. Alderman Elmhurst mentioned the overflow from sewer near the Elmhurst building on East State and Alderman Moore told of somewhat similar trouble on East State street beyond the railroad. It was the statement of the mayor that these and other sewer troubles can probably be given attention at an early date. It is realized that unless manholes are cleaned in accordance with the statement of Street Commissioner White that there will be resulting damage to the sewers.

Alderman McGinnis reported excellent progress being made in the construction of walks on Walnut street and Mathers street. John Easley brought to the attention of the council some apparent discrepancies of water bills in his ward and this matter was referred to the water committee for investigation.

Alderman Moore reported to the council that he had the assurance from the superintendent of the C. P. & St. L. that the railroad crossing on East State street will have early attention. City Clerk Pyatt read the ordinance providing for a sidewalk on the west side of Allen avenue between Lafayette and Independence avenue. He read also an ordinance for a walk on the east side of Webster avenue between Elm and Maple streets. Both were laid over under the rules.

Mayor Crabtree said that he had made arrangements for the fire whistle, the court house bell and a number of other whistles and bells to sound at various hours Tuesday to remind the people of the bond election. The council expressed approval of the plan.

Dam Specifications Changed.

Alderman Chapin, chairman of the water committee, stated that the citizens committee had a recommendation to make with reference to the proposed change in specifications in the reservoir. John W. Merrigan, a member of the committee, was present and when asked to make the statement said that the blue print and would give the explanation. Mr. Baldwin stated that the proposed changes, which he explained in detail, would not lessen the strength of the reservoir nor decrease its efficiency, and that in his estimation \$1,900 could be saved by the changes suggested. The council voted to concur in the recommendation of the citizens committee.

Various citizens were then called upon, including C. O. Bayha, Mr. and Mrs. Walter Taylor, Charles Tinsley, Arthur Holt, John Easley, T. S. Martin. All expressed their interest in the bond election and the belief that the vote today will be strongly in favor of the proposition. Mayor Crabtree said that certainly a great deal depended upon the result of this election, for if the people look favorably on the proposition that some really definite policy can be outlined for improving the city. Mayor Crabtree also told of a conversation with a traffic officer in St. Louis and gave to the police department a copy of the ordinance and rules enforced in the city.

Officers' Reports. Reports of officers were presented and were as follows: A. B. Opperman, justice of the peace, reported fines collected

\$81; city costs \$20.20; J. P. costs \$43.40; balance from former months collected \$2.20; total \$156.80.

Clerk of Police Kiloran reported fines and costs collected \$156.80; number of arrests 25; city cases 13; state cases 7; males 22, females 3. The arrests were divided as follows: drunkenness 9; disorderly conduct 6; assault 3; state warrant 1; highway robbery 1; violating speed ordinance 1; peace warrant 2.

The report of W. H. Cobb, water superintendent, showed receipts as follows: rents \$3,774.74; meter repairs \$22.41; taps \$18; meters \$130; junk \$14.47; total \$3,959.62.

Harry Summers, sexton at Diamond Grove cemetery, reported 9 graves made during the month. John Pires, sexton at Jacksonville cemetery, reported 7 graves made during the month.

H. C. Clement, treasurer, reported a balance in the general fund of \$10,054.76.

R. L. Pyatt, city clerk, reported receipts as follows: from city clerk's office \$270.90; Diamond Grove cemetery \$1,230.50; Jacksonville cemetery, \$50.

A. M. King, health warden, reported the number of deaths in the city 24, at the insane 8. The range of ages was as follows: under 1, one; 20 to 50, six; 50 to 70, nine; over 70 sixteen. Three cases of typhoid fever were reported.

GAVE RECEPTION FOR WINCHESTER PASTOR

Members of Baptist Church Entertained Monday Night For Rev. and Mrs. Wm. Morris and Daughter—Riggston Church Ladies to Serve Burgoon Wednesday—Other Notes.

Winchester, Oct. 6.—Members of the Baptist church gave a reception for their minister, Rev. William Morris, wife and daughter Monday evening at the home of Mr. and Mrs. W. B. Clark on North Main street. The large number of guests present enjoyed a number of hours in a pleasant social way and later refreshments of ice cream, cake and coffee were served.

Miss Louise Frost arrived home Sunday from New York City and will leave Wednesday for St. Louis in the interest of the Y. M. C. A. work. She expects to have an assignment soon to one of the southern states.

Charles B. Hubbard, Watson Frost and George McLaughlin have returned from a few weeks' stay in Hot Springs, Ark.

Miss Mary Reynolds expects to leave Tuesday for Jacksonville where she is to take a position at the Jacksonville State hospital.

Miss Mildred Dunn left Sunday for a visit with friends in Woodson.

The ladies of the Riggston church will give a burgoon supper Wednesday evening at the church, beginning at 4:30 o'clock. The proceeds are for a worthy cause, as the society expects to furnish a room at Passavant hospital.

Mrs. Franz Biernbrauer will leave Tuesday for a visit with relatives in St. Louis.

The Scott County Teachers' Institute opened Monday with a large attendance. The program will extend throughout the entire week and is one of great merit. Instructors of wide reputation having been secured for the work. Mrs. Lula Cox and daughter Iva returned Sunday from a short visit with relatives in Alsey.

Men and women are both entitled to vote in today's election.

Deaths

Mason.

Harold Lockwood Mason, infant son of Mr. and Mrs. Grover Mason died at the family residence, 844 North Church street at 5:15 o'clock Monday afternoon. He had been ill for two weeks.

Deceased was born June 2, 1919. He is survived by his parents. No arrangements have been made for the funeral.

TAKES POSITION AT J. W. MERRIGAN STORE

Miss Helen Snyder has taken a position in the candy department of the J. W. Merrigan confectionery.

FRANKLIN RESIDENT PASSED AWAY MONDAY

James P. Seymour Died at Home of Daughter Near Franklin Monday Afternoon—Funeral Wednesday.

Franklin, Oct. 6.—[Special to Journal.]—James P. Seymour, a pioneer resident of Franklin community, died at the home of his daughter, Mrs. C. N. Reeve, south of Franklin at 4:55 o'clock Monday afternoon. He had been ill for over two years and death resulted from a complication of diseases.

Deceased was the son of Bird and Sara Austin Seymour and was born in Pierson county, North Carolina, April 28, 1832. His parents came here when he was very young and practically all his life was spent in this state.

He was united in marriage at Apollonia October 31, 1850 to Miss Eleanor P. Sargent. To this union six children were born, four of whom, Mrs. Henrietta Wright, Miss Patsie Seymour, Mrs. Susan Reece and Burley Seymour preceded him in death.

He is survived by two daughters, Mrs. Sara Lankford and Mrs. Ella Reeve, both of Franklin. He also leaves one brother, Bird Seymour of Franklin and two sisters, Mrs. Agnes Spivey and Mrs. Millie Devlin of Jacksonville. Three brothers, Gideon, Eli and Jackson Seymour; two sisters, Mrs. Margaret Anderton, Mrs. Nancy Sargent and Mrs. Hannah Seymour also preceded him in death.

For many years Mr. Seymour followed the occupation of carpenter. During recent years he has made his home with his daughter, Mrs. Reeve, who gave him a loving daughter's care in his declining years. Mr. Seymour was a man highly respected in the community in which he lived.

Funeral services will be held from the residence of his daughter, Mrs. Reeve, at 2 o'clock Wednesday afternoon in charge of the Rev. Mr. James, with burial in Seymour cemetery.

Men's \$3.50 Sweaters, all colors, at Tomlinson's.

Social Events

Second Dance Given at Knights of Columbus Hall.

The second of the series of dances was given at Knights of Columbus Hall Monday evening by John Fogarty and Edward LaBoyetaux. About 75 couples were present. Announcement was made that the elite dancing club would begin its winter dances in Degen's hall Wednesday evening. Music will be furnished by Labby's Jazz band.

Helen Rawling Chapter World Wide Guild.

A regular meeting of the Helen Rawlings chapter of the World Wide Guild was held Monday evening at the home of Miss Elizabeth Long, 1144 West Lafayette avenue. There was a large attendance of members. After the business meeting Mrs. John A. Howard, a returned missionary from India, gave an address on her work in that country. Her husband, the Rev. John A. Howard, will give a stereopticon lecture at First Baptist church Thursday night.

Foreign Missionary Society of Grace Church.

The Woman's Foreign Missionary society of Grace church met with Mrs. H. P. Mohr Monday afternoon. The assistant hostesses were Miss Lizzie Groves and Mrs. R. A. Gates. Devotions were in charge of Mrs. Sydney Jones. The study hour was in charge of Mrs. Gates and Mrs. Herbert Capps. Mrs. Strang gave a piano number. A social hour was then had and refreshments served.

Gave Reception for New Minister.

Members of Murrayville M. E. church gave a reception in the basement of the church Monday evening for the new minister, Rev. J. C. Bell. There was a large crowd present and Mr. Bell was given a most cordial greeting. During the evening light refreshments were served.

College Hill Club Met With Mrs. Fairbank.

The College Hill club met with Mrs. J. C. Fairbank, 905 Grove street Monday afternoon. There was a good attendance of members. Mrs. J. H. Dial gave a review of the book, "When the Prussians Came to Poland," by Tarczynowicz. A number of letters were read from absent members. A social hour followed and the hostess served refreshments.

Women's Auxiliary of Trinity Church.

The Women's Auxiliary of Trinity church held its first meeting of the year Monday with Mrs. T. A. Wakely, 319 South Main street. There was a large attendance and the program of the afternoon was in charge of Mrs. J. F. Langton whose subject was "A Nationwide Campaign." A social hour followed the program and refreshments were served.

Men's \$3.50 Sweaters, all colors, at Tomlinson's.

WELL KNOWN BALLOONIST HAS RELATIVES HERE

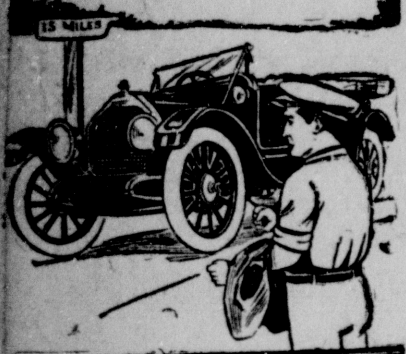

Warren Rasor of Akron, Ohio, was one of the two fliers who passed over Jacksonville one night recently. Mr. Rasor is an uncle of Mrs. Fred Schoenman of 241 Webster avenue. A recent issue of the Globe-Democrat told of his flight of 750 miles. The balloonist landed with a few miles of Toronto. The article said he could have easily traveled farther but did not wish to land in the wilds of Canada. Mr. Rasor's flight was the more remarkable owing to the fact that he is 65 years of age.

Girls! Your hair needs a little "Danderine"—that's all! When it comes lifeless, thin or loses its lustre; when ugly dandruff appears, or your hair falls out, a 35-cent bottle of delightful, undrinkable "Danderine" from any store, will save your hair, double its beauty. You can have nice, thick hair.

"TOO many cooks spoil the broth" is a saying that is as true as it is old. Applied to underwear, it means that too many buttons spoil the suit. In the

HATCH ONE BUTTON UNION SUIT

there is just one master button at the chest that does it all. With it you get the perfect fit and comfort you have sought so long.

With it, too, you save somebody's time and trouble in keeping in repair the nine or more buttons and button holes, for, even in the better made union suits, careless laundering or ordinary wear and tear have their effects.

We have this superior garment in weights, materials and prices to suit every temperament and purse.

Arenzville, Ill.

IMPORTANT STOCKS

NEW YORK, Oct. 6.—Developments over the week-end and those which followed contributed measurably to the expansive trading and many substantial gains were registered in the course of today's active stock market. Motors and oils of the high priced varieties marked the session General Motors ascending to a new record on its advance of 2 1/2 points to 288 1/2 while Mexican Petroleum also sold at a new maximum, rising almost ten points to 235 1/2 and Texas Company gained 17 points at 285.

Equipment were led by Worthington Pump at a 13 point gain to the new record of 17 1/4 other features of that group including Baldwin and American Locomotive and American Car at extreme advances of 3 to 6 points.

Crucible Steel assumed some of its recent prominence by a further recovery of 13 points half of which was later forfeited and other steels yielded part of their extreme gains of 2 to 3 1/2 points.

Rails and shippings strengthened on the demand for transcontinentals, grangers and coalers, also Atlantic Gulf and American International but those divisions eased at the regular end, leathers, textiles, tobaccos and food shares, offering between resistance to pressure. Sales amounted to 1,300,000 shares.

Bonds were firm on further demand for speculative rails the liberty division holding steady and international reacting slightly. Total sales (par value) \$13,250,000. Old U. S. registered 2s gained 1/4 on call, others unchanged.

KANSAS CITY LIVESTOCK

Kansas City, Oct. 6.—Hogs—Receipts 11,000; higher; bulk \$16.00@16.60; heavy \$15.75@16.45; medium \$16.00@16.65; light \$16.00@16.70; light lights \$13.95@16.40; packing sows \$14.00@15.00; pigs \$14.00@16.40.

Cattle—Receipts 37,000 and 6,000 calves, lower, heavy beef steers, choice and prime \$16.15@17.90; medium and good \$12.25@16.00; common \$10.15@12.15; light light, good and choice \$13.20@17.15; common and medium \$8.25@13.25; butcher cattle, heifers, \$6.25@14.15; cows \$6.25@14.15; canners and cutters \$5.00@6.15; veal calves \$14.25@17.75; feeder steers, \$8.50@13.25; stocker steers \$6.00@9.60.

Sheep—Receipts 10,000; higher; lambs \$13.00@16.00; yearling wethers \$9.00@10.00; ewes \$5.75@7.25.

BOARD OF EDUCATION HELD REGULAR SESSION

Many Matters Discussed by Members—David Prince Ventilating Plant Will Be Placed in Condition—Reports of Officers Received.

The board of education met in regular session last evening and transacted ordinary business. A visit of bond houses agents was reported; the ventilation of the David Prince building was ordered overhauled; the water at the Morton and Jefferson schools was declared unfit and filters were ordered cleaned; copies of new high school building specifications were ordered for each member; a lot of brushes were ordered and Harrigan Brothers were ordered to hurry up the coal supply.

The board met in regular session with all present except Members Parker and Rapp; President Lippincott in the chair. Bills, general fund, \$1,002.14, building and repair, \$515.11; pay roll, \$8,941.46 read and ordered paid.

The chairman of the finance committee said he had spoken to representatives of two bond houses and they would be glad to supply copies for proposed bonds and the chair said he expected one or two representatives of such houses here today.

Edward Gause was instructed to put in the new trap as suggested. It was pointed out that it would not interfere with the work of heating the new high school building and would afford relief from various troubles in heating the David Prince building.

Ventilation of David Prince School.

The David Prince ventilation of the David Prince building was brought up. It was declared that the ventilation was wholly inadequate and imperfect. In many if not all cases the draft was down instead of up and it should be remedied. The foul air is supposed to be conveyed to the attic and thence through ventilating pipe to the open air. The toilets have ventilators going directly up through the roof.

The matter had been examined by the building and grounds committee and by Messrs. Brady Brothers & Faugust and bids from each received. It was suggested that possibly the extension of the ventilating pipes higher up would overcome the difficulty as they were generally too low and bids from each of the two mentioned houses had been received and that of Faugust being the lower, was accepted. It is not absolutely certain that this will remedy the defect, but it is hoped that it will. The original plan of ventilating was inadequate and faulty.

It was reported that the water in the various buildings had been examined and pronounced all right except the Morton and Jefferson buildings and these would have immediate attention. It was a matter of much satisfaction that the water on the Springer property is reported all right as it supplies the David Prince building which is a large fraction of the school population of the city.

A question was raised regarding the setting of the new boilers. An inspector had suggested some changes and a letter had been written the Hartford Boiler Company regarding the matter as the inspector had said the boilers should be several inches lower but the company responded that the boilers were set all right.

Then came a question regarding the writer of the letter to the company. A reply had been sent the board of education but no member of the board had written any such letter. The matter was referred to Members Hopper and Pierson to investigate and report.

The question of exhaust fans for ventilation was brought up and discussed informally. It was suggested that the property of the board should be revalued in accordance with the advance price of all kinds of building material so that insurance might properly be arranged. Referred to the buildings and grounds committee.

The superintendent reported that he had bought some material for patching and preserving the concrete floors and it had proved very satisfactory and the buildings and grounds committee was instructed to go ahead and have all floors patched and put in order with the same material.

The superintendent reported the employment temporarily of Miss Blanche McCollum as assistant nurse. He also reported that the new teachers, Mrs. Margaret Richards Wegel and Miss Esther Wetzel had been assigned positions, the former in the Franklin school and the latter in the Lafayette school.

The pay of substitute teachers was named at \$2 to \$4 a day according to experience and other conditions.

The superintendent was instructed to permit the selling of sandwiches in the schools when the children of the school in which they were to be sold were directly interested.

Mr. Perrin reported six copies of the specifications for the new high school received and the secretary was instructed to ask for four more, that each member might have one. A number of bundles were ordered for the schools.

The committee to report on the boiler correspondence produced the letter received from the Hartford company and were instructed to send for the letter written to the company.

The superintendent was instructed to hurry up Harrigan Brothers in the delivery of coal and get the various buildings supplied before cold weather.

Adjourned.

EXPLANATION

In the financial report of the monument association which appeared in the Journal Sunday morning there is one matter which needs explanation. Before the funds voted by the county were available the association had some expenses to meet and for that purpose made a note to the Farmers' State bank for \$600 and chose C. Riggs Taylor treasurer. When the money from the county was available Mr. Taylor made to the bank a check for the balance of his account, \$97.41 and the county board reimbursed the signers of the note and it required but \$502.59 for the purpose which will explain the two items mentioned in the financial report.

SEEK APPLICANTS FOR MANCHESTER POSTOFFICE

The civil service commission has announced an examination to be held November 8 at White Hall, at which time applicants for the position of postmaster at Manchester will be examined. An examination for the purpose of filling the vacancy at Manchester was announced for September 27, but as there were no applications received, the civil service commission has announced the second date. The people of Manchester are very much in hope that there will be some applicants on November 8, as otherwise the postoffice at Manchester may be discontinued.

LARGE CROWD AT "Y" MONDAY EVENING

Open House Night Great Success—Enjoyable Program Given—Board of Directors Meets—Budget Campaign to Open Oct. 20th.

Open house was held at the Y. M. C. A. last evening, when a large number of friends and members of the institution gathered to hear a good program and have an enjoyable evening on the occasion of the Y's athletic and social activity for the year.

The program opened at 8:15 o'clock.

Mrs. Fred Darr gave several instrumental musical numbers prior to the opening of the program, which were appreciated.

The program follows:

Invocation—Rev. W. H. Marbach, pastor of State Street Presbyterian church.

"America"—Sung by all.

Recitation—Miss Marceline Armstrong.

Solo—Miss Lydia Hunt.

Talk—Capt. W. T. Harmon.

Captain Harmon spoke of the value of athletics in a man's life and urged all to take advantage of the opportunities offered to indulge in athletics of every kind.

An athletic demonstration was given by Harry Walker and Harold Bartlett. Both young men are gymnasts of more than ordinary ability and their part of the program proved a hit with the audience.

Talk—Secretary J. S. Findley.

The evening's program closed with a few selections by the "Harmony Four" quartette, composed of Bradney, Clark, Swar, and Wagner. These colored boys certainly produced the harmony and their act was well received.

Following the program refreshments in the form of coffee and doughnuts were served.

Earl Spink, chairman of the social committee, ably assisted by Fred Darr, was in charge of the program.

Board Meeting.

Proceeding the festivities of Open House night the Y. M. C. A. board of directors met at the supper hour in the "Y" social rooms. The evening meal was served to them there and following the supper the business of the occasion was taken up. The president of the board, H. J. Rodgers, was present and presided.

Spink was appointed recording secretary pro tem in the absence of H. H. Vasconcellos. Others who were present were: W. J. Brady, C. F. Ehnie, A. D. Fairbank, W. C. Goebel, W. B. Rogers, C. H. Rammelkamp, W. E. Spoons and Eb Spink.

It was decided to launch the campaign for the Y. M. C. A. budget on the week beginning Oct. 20th. The exact amount of money which the budget will require this year has not been announced. The campaign for funds will run one week and it is hoped will bring the results expected.

Secretary Findley read his report for the months of July, August and September, showing that the membership of the institution was up to normal. There are at the present time 400 members, 152 of which are gift memberships to returned soldiers, sailors, or marines.

The most of the time at the board meeting was occupied in planning and discussing arrangements for the budget campaign.

WOMAN'S CLUB, ATTENTION

The Annual Fall Luncheon of the Woman's club will be held Saturday, Oct. 11th in Central Christian church at one o'clock.

Solicitors will wait upon club members for reservations.

In case any member is not called upon by Tuesday noon (Oct. 7th) they may get tickets from the chairman, Mrs. W. D. Doying, Tuesday evening or Wednesday morning as the guarantee list is given Wednesday evening.

A FORTUNATE ACCIDENT

Sunday afternoon a company of young people were returning from Modesto to the city and as they attempted to turn out for a bad hole in the road at the foot of a hill, east of Waverly, the hind wheels became locked in such a way that the car turned turtle into the ditch. Two tires were collapsed and the wind shield broken, but no other serious damage was done and the young men were able to repair the trouble and proceed to the city. It certainly was the most remarkably fortunate accident of the season as but one person was hurt and that was Miss Florence Godfrey, whose arm was somewhat bruised. It is owing to the fact that they were not going fast that none were seriously hurt. The occupants of the car were: Misses Clara Magill, Florence Godfrey and Susie Brodgen; Messrs Clarence Fletcher, Eugene Hembrough, Fred Stringer, Lee Fletcher, and Homer Melton.

SOME REAL ESTATE TRANSFERS

J. L. Pine, South Main street, has sold his residence to Al Dunaway of Murrayville and is to give possession Nov. 1.

Miss Marie Kent has sold her residence on Greenwood avenue to S. L. Perry who has taken possession.

DISTINCTION IN DRESS

is not difficult this season to achieve. The secret is merely choosing from among the many lovely Suits and Coats the one that expresses your individuality. There is a Printzess model for you. The coat pictured you will find attractive—as well as dozens of others in our complete stock—

\$25, \$35, \$45, \$55 to \$95

Welworth Quality Waists

Unmatchable at the Prices

Voiles at	\$1.50
Voiles at	\$2.50
Georgettes at	\$5.00

BLANKETS

These chilly evenings of early Autumn bear promise of colder nights to come. Better make sure now that there's a plentiful supply of thick, warm blankets. We supply every need.

Fall Silks That Are Irresistible

A charming display of Fall Silks and Dress Goods—Serge, Satins, Jerseyette, Charmeuse, Crepe Meteor. These are new and very popular weaves and color—just the fabrics you want for your new Fall dress.
